The birthday celebrant was honoured with garland and a memento. Bro. James Sagayaraj, C.S.C., cut the cake and shared his joy with students. Mr. C. Antony Raj spoke about his lovable, caring and friendly qualities. In reply to felicitation, Bro. James Sagayaraj, C.S.C., thanked every one and recalled some of the memorable moments at Holy Cross. He highlighted the need of faithfulness in everyday life. He also emphasis the importance of personal discipline & hard work. The High School and Primary School students performed cultural dance to make the occasion a joyful one.

### Deepavali Celebrations

On October 28, 2016, Deepavali celebrations began with a meaningful prayer highlighting the message of Deepavali, invoking God's blessings and thanking Him for His assistance and guidance. The festival of light triggered enthusiasm among the primary and high school students. The theme of good over evil was enacted as a skit. Deepavali message was delivered by Vice Principal Mr. Edward Joseph. He highlighted the values of this festival of light. Mr. Edward briefed about the Diwali celebrations at different states of India and around the world. He also insisted on the safety measures to be taken while bursting crackers. He also encourage the students to share the joy with family members and neighbours.

## Parent Teacher Meetings...

A series of Parent Teacher Meetings were held between October 13 and October 17, 2016. Bro. Gnanasekaran, C.S.C., addressed the meeting & explained the updated infrastructure and methodologies used in the school to nourish all round development of the child. He focused on the responsibilities of parents in the ever changing social demands. He highlighted the adolescent transition of the children at every stage and cautioned about the impact of electronic gadgets and social media. A motivational talk was given by Mrs. Devaki, Child Protection Officer, Karur, to the parents about the impact of socio-economic changes in the attitude of a child.

Parents were welcomed to give suggestions through a suggestion box. Most of the parents attended with eagerness and interacted with the class teachers and subject teachers. A group of students from each class exhibited their talents in front of their parents in the form of music, dance, debate etc...

The parent representatives were elected during the meeting to facilitate the parents to communicate their interest to school. It was an occasion for the parents to know about the academic and social activities of the students.

ஒரு முறை வந்தால் அது கனவு,  
இரு முறை வந்தால் அது லச்சியம்,  
மூன்று முறை வந்தால் அது நிசம்.  
இன்று தூக்கத்தில் வருவது கனவு  
நேற்று தூக்கத்தில் வந்தது லச்சியம்  
நாளை தூக்கத்தில் வருவது பொய்  
பொய் என்பது நிசம் இல்லை  
பொய் என்பது லச்சியம் இல்லை  
பொய் என்பது கனவும் இல்லை

பொய் என்பது ஒரு பூச்சியைப் போல.
