- What does COMET represents to you?
- Why do you want to join COMET?
- Why are you applying for the position of a secretariat in COMET 2012?
- What are the things that you are going to add to COMET this year?
- Do you have any relevant experience to this position? And what is your previous experience in general?
- What are your vision and values
- What are the most important developments you have achieved in COMET and in MKTG Council so far?
- What were the advantages and disadvantages of MKTG'11 in terms of sessions, materials, ACs, projects and conference?
- What are your ideas to avoid the mentioned disadvantages?
- Make a full plan for the 4 days of conference.
- What are your ideas to develop the council this year?
- What do you want to teach during the sessions this year? And what are the topics that you want to add?
- What are the criteria required to be in this year's delegates? And how many are you planning to have in your council?
- Do you have any potential sponsorships whether Academic sponsorship or fundraising?
- What are your ideas for this year council's projects?
- You are kindly asked to prepare a 15 minutes presentation in any topic you would like to discuss, taking into your consideration that it should be on the session's way.
- Feel free to add any new suggestions, ideas, or anything you want.
